LET S&D HELP YOU GET YOUR HOME PREPARED FOR WINTER

TAKE ADVANTAGE OF THIS TIME TO FOCUS ON GETTING YOUR HOME READY FOR COLDER TEMPERATURES:

10%^{*} OFF

- [EXTERIOR POWER WASHING](#) - Regular power washing maintenance of your home's exterior increases the value of your home, improves curb appeal, prevents expensive repairs (related to rot and decay), and cleans mold & mildew from surfaces. Consider power washing siding, walkways, driveways, fences, and decks.
- [GUTTER CLEANING](#) - Gutters clogged with leaves, sticks and other debris can lead to a leaky roof and water damage to both the exterior and interior of your home.
- [STORM DOORS \(INSTALL OR REPAIR\)](#) - Benefits of proper functioning storm doors include added protection to your exterior door, increased energy efficiency and additional home security.
- [RESCREEN PATIO DOORS & WINDOWS](#) - Properly screened doors and windows can offer protection against sun damage, durability against damaging elements and actually contribute and act as an insulator to keep heat in during the cold winter months.
- [FURNACE CLEAN & CHECK](#) - Keep your home comfort system efficient, reliably and running in tip-top shape to avoid emergency calls during the peak heating season. This helps your unit run as efficiently as possible, saving you money!
- [CARPET, UPHOLSTERY & TILE CLEANING](#) - Keep your home clean and healthy, while extending the life of your carpet, furniture and tile flooring.
