SGT Gaddis began his career with the Willowbrook Police Department in the summer of 1987. During the over 30 years of his service, Dave is most well known as the department's first K-9 officer. In June of 2006, then Officer Gaddis met his partner Icha. The two were inseparable throughout her 9 year career and after her retirement she continued to be a valued member of the Gaddis family. Dave and his family began their battle over 2 years ago when his wife, Vickie, was diagnosed with tongue cancer. Dave has been by her side through the countless surgeries and treatments while trying to maintain a sense of normalcy for their 3 sons. Good news came in May 2018 when Officer Gaddis was finally promoted to Sergeant. Just a few short months later though, Dave was diagnosed with stomach cancer. Committed to beating the odds, SGT Gaddis is working with his team of doctors to find the best treatment plan possible. There have been some setbacks along the way, including the loss of his faithful partner Icha, but both Dave and Vickie remain positive and focused on what lies ahead for their family after they both beat cancer.
